

Do you want a comfortable, easy-to-paddle, durable and compact kayak?

At Oz Inflatable Kayaks we sell the Advanced Elements range of inflatable kayaks and accessories in Australia.

They have a soft (usually inflatable) floor and supportive seats for a comfortable ride

Their innovative design means they are fast and easy to paddle for beginners and families

The durable material will give you many years of paddling

The kayaks pack up into a bag small enough for your car, caravan, boat, backpack or luggage

So if you want a high performance recreational kayak, get an Advanced Elements inflatable kayak from Oz Inflatable Kayaks.
