

# Importer of the Month

'The Store Next Door' is a new Concept Lifestyle store located in Five Dock NSW.

In a warehouse styled showroom we offer a mix of classic, vintage and soft industrial styled pieces that everyone can afford. French provincial meets Hamptons with a quirky twist. Homewares, Furniture Clothing and loads of gorgeous gifts, we believe we have something for everyone.

Most of all we are committed to evolving with our customers. Please Visit our Facebook page: [The Store Next Door](#)
